

The idea

M + A = MAGIC.

MAgic! is a premium creative studio for participatory experiences, workshops, customization and memorable event moments.

Two initials with sentimental meaning become a complete creative world.

PLAYFUL IN IDEA.

PREMIUM IN EXECUTION.

MEMORABLE IN EXPERIENCE.

Brand personality

Not childish. Not school-craft. Not cold corporate. Not cluttered.

The visual balance is simple: expressive color + disciplined composition + generous whitespace.

01

Visual identity

Primary logo

MASTER LOCKUP

Approved artwork. Letterforms, spacing, sparkle and descriptor relationship remain unchanged.

Logo anatomy

Responsive family

01 / PRIMARY

02 / WORDMARK

03 / COMPACT MA ♦

04 / MICRO MARK ♦

Secondary vertical lockup

For narrow formats, tags, avatars and centered compositions.

No letterform is redrawn: the approved elements are only reorganized into a secondary lockup.

Isotype / MA ♦

M + A remain the emotional core. The sparkle acts as the transformation point.

Micro mark / ✦

A minimal signature for favicons, hardware, seals, pattern moments and subtle brand punctuation.

Monochrome

Use for engraving, embroidery, stamps, vinyl and restricted production.

Clear space

Keep a quiet perimeter around the mark. Nothing should compete with its silhouette.
